

Strategic Partnerships

Partnership Purpose - Internal Assessment

<p>1. What critical organizational or client issue(s) do you wish to address through a strategic partnership</p>	
<p>2. What are your key desired outcomes of the strategic partnership?</p>	
<p>3. What type of organization should you partner with to address the critical issues (what criteria are you looking for in a partnering agency)?</p>	
<p>4. What does our organization bring to the table (what benefits would your partner realize by partnering with your organization)?</p>
